# DATA ANALYST — COVER LETTER

Dear Hiring Manager,

I am writing to express my interest in the Data Analyst position at your company.

I have a B.Sc. in Mathematics, Physics, and Chemistry (MPC) and have developed skills in Excel, SQL, Python, Pandas, and Power BI. Through my projects, I have gained practical experience in data cleaning, analysis, visualization, and identifying meaningful insights from datasets.

I am interested in starting my career in data analytics and applying my analytical and technical skills to support business decisions. I am a quick learner, detail-oriented, and eager to contribute to your team.

I would appreciate the opportunity to discuss how my skills and project experience align with your requirements.

Thank you for your time and consideration.

Best regards,

**Paila Ravi**
